# TEXT CLIENTS USING YOUR EXISTING BUSINESS PHONE NUMBER

## Meet TextMeAnywhere

A simple solution that enables you to text clients from your current business number.

## Starting at \$15.95 per month

- Let clients know when they can come in for their appointments while they social distance outside
- Simply send a text to their mobile number using the easy online portal. They receive the text on their phone as an SMS Text message coming from your EXISTING BUSINESS NUMBER.
- Clients have the ability to respond back, and responses will end up on your online portal.
